

14/16-18 Waratah Street CRONULLA NSW

2 1 1

Situated on the top North/East corner of this security block sits a large 2 bedroom apartment. Although original, it is in very good condition featuring a generous living area, open plan kitchen with laundry off to the side, both bedrooms have built-in robes and there is also a good size balcony. The apartment is currently leased and the tenant would love to stay if it were purchased as an investment.
